

Club Change Request Form

Students,

Please use this form and get all three signatures if you wish to change your club selection. Once you have obtained all three signatures, the changes will go into effect the following Monday.

Keep in mind that club changes will only be approved by the teachers if there is room in the club and if you meet the necessary entrance requirements if there are any.

Steps to follow:

- 1) Get approval signature from both club teachers (the one you are leaving and the one you are joining),
- 2) Get approval signature from your parent,
- 3) Return the form **directly** to Dr. Baslanti,
- 4) You will be given a new club schedule when the requested change is made.
